

Pesticide Use

Pesticide Use

The Healthy School Act of 2000 was signed into law and requires that all school districts provide parents or guardians with annual written notification of expected pesticides used on school sites. This booklet will serve as your 72 hours notice that Fridays are designated as spray days. However, all Fridays may not be used due to the need of application and weather conditions. Applications may occur in other areas during holiday breaks, such as winter and spring breaks and three-day weekends when students are not present.

Chemical List

<u>Chemical Name</u>	<u>Active Ingredient</u>	<u>EPA #</u>
Advion Ant Gel	Indoxacarb	352-746
Advion Roach Gel	Indoxacarb	352-652
Delta Dust	Deltamethrin	432-772
Orange Guard	D-Limonene	61887-1-AA
