Narrative & Location
<p><b>Narrative:</b></p> <p>On Friday, September 29th 2017 at 16:00, I spoke with _____ mother of _____ in regards of the pesticide incident report. _____ and _____, parents of _____, installed a play structure in the backyard. They purchased Ortho WeedBGon Crabgrass killer to kill the remaining grass around the play structure. The pesticide container was temporarily placed on top of the washing machine. Two-year-old _____ was playing in the garage area and moved a chair next to the washer and climbed up on the washer. On September 26th 2017, at 11:29, _____ found his son crying in the garage area near washer and dryer. _____ asked _____ what had happened and boy pointed into the pesticide container that was on top the washer. Lid from the pesticide container was not secured all the way and _____ was able to open it. The parents suspected ingestion of the pesticide. The parents got primary help from the Fire Department that is across their house, which offered to take _____ to emergency room. _____ and _____ decided to take their son to emergency room in their family car. On the way to the hospita _____ threw up. In the emergency room _____ was under observation for three hours. There was no fever, or any other symptoms. On September 27th 2017, _____ took her son to see his pediatrician. Everything was normal.</p>
