Having Trouble Selling Your Home?

Dear Home Seller,

**Are you tired of living in limbo... waiting until you sell your house?
Are you stuck looking at that "For Sale" sign?**

Then you've come to the right place! *Home Seller's Blues and How To Beat Them* is the first book ever to **cheer on and cheer up home sellers in today's tough housing market**. You'll find the home selling advice you need to sell your house faster -- and also overcome the anxiety, frustration and uncertainty that many home sellers are facing right now.

Home Seller's Blues And How To Beat Them - A Book for Home Sellers and Realtors!

My name is Joan Gale Frank and I was a frustrated home seller myself. I got so tired of waiting for a buyer that I went out looking for answers...

I spent months and months gathering home selling advice from experts -- highly paid home stagers, landscape artists, top real estate brokers, marketing whizzes, who shared their secrets with me on **faster than other homes in the**
